ABOUT ME

I'm a BSc Information Technology student at North-West University (NWU) with a strong passion for coding, problem-solving, and continuous learning. I thrive in collaborative environments and enjoy working in teams where I can both contribute and grow. My academic journey has deepened my interest in software development, and I'm actively building the skills and experience needed to pursue my dream of being part of the world of technology. I'm always eager to take on new challenges and expand my knowledge in the ever-evolving tech world.
